Congratulations, Graduates!

You've made it! Graduating from Norton High School is no small feat. Soon, you will have other challenges. Whether college, trade school, the military or the world of work beckon you, give it your best effort. Remember, it is not the size of the dog in the fight, but the size of the fight in the dog!

I am confident that the Norton Public School system has prepared you for success in whatever you will attempt. Take with you the lessons that you've learned during your time with us. Sure, you may hit a "bump in the road," once in a while, but pick yourself up, dust yourself off and move forward with determination and confidence. Whatever you choose to do with your life, my wish for you is that you have a passion for it and that you enjoy it.

Wishing you many more successes,

Patricia H. Ansay, Ed. D.
Superintendent of Schools

Congratulations Class of 2012!

One of my favorite works on careers and life is *The Adventures of Johnny Bunko*. I like it because it is direct. It is different (written in Manga). It is also very true. Here is a summary of the book's message as it relates to you:

1. There is no plan. As much as we work to prepare ourselves for what will come next, one certainty in life is that there will be change. Do prepare yourselves for the future, but don't try to set up a complicated five year, ten year, or lifetime plan. What you think will probably happen probably will not. Instead, be the person who is able to adapt and change as circumstances change. You will be happier and more successful.

2. Think strengths, not weaknesses. All of your life you have been working to find what you do well. You have also been regularly tested on a little bit of everything. As you move into college and adulthood, it is now time to focus as much as you can on what you are good at and maximize that. Many of you have discovered that you will never dunk a basketball or solve multi-step mathematics problems in your heads. That is ok. Take what you do well, focus on that, make that into what you do for a career. No one is good at everything. The successful people are the ones who realize that fact and work to get the most leverage they can out of their aptitudes.

3. It's not about you. As much as your current circumstances make you focus on yourself, understand that there are a lot of other people here on planet Earth. Most of them have no idea who you are or what you need. In order to succeed, you need to understand others, what they need and how your strengths can help them. That way, you will always be employed.

4. Persistence trumps talent. No matter what you do, where you go, who you meet, you will find that the people who work hardest are the ones who get ahead. Even a super genius needs to develop a strong work ethic, or they will be simply someone who had a lot of talent but wasted it. Hard work does pay off in every field.

5. Make excellent mistakes. It is said that in the process of inventing the light bulb, Edison tried thousands of different ways to do it. When asked about his failures, he responded that they were not failures as he had found thousands of ways not to make a light bulb. It is ok to make mistakes if the mistakes are from trying to do something better and with the idea that you will own your mistakes. Do not make mistakes out of fear or laziness.

6. Leave an imprint. This is my favorite. Live your lives in such a way that people will remember you, for the right reasons. It is very easy to slip into the "silent majority". Be a difference maker.

Sincerely,
Raymond Dewar

To the Class of 2012,

Just four years ago, you entered Norton High School as freshmen, unsure of what your future would bring. Now, you are nearly graduates, you have plans for the future and you are ready. I hope that you have made the most of your time here with us. You have spent time learning in the classroom and outside of the classroom. Over the past four years, you have studied for countless tests and quizzes; you have completed innumerable papers and homework assignments. However, that was not necessarily the most important part of high school. I am sure you have not loved every moment – but each experience has helped you to grow. Throughout all of those experiences, I hope that you learned about effort and perseverance. I hope that today, you realize that life is about doing your best and working through even the most difficult of situations. Because, that is truly the most important lesson you can learn. I wish each of you the very best as you make your way beyond the hallways of Norton High School and into the world.

Sincerely,
Megan Lafayette

"It's Another Beautiful Day Here at Norton High School"

Anyone who heard Mr. Leddy speak those words couldn't help but sense his enthusiasm and love of life and teaching. As Science Coordinator, he would end his weekly science department message with a quote. Here are some that seem especially appropriate:

"Equipped with his five senses, man explores the universe around him and calls the adventure Science." -Edwin Powell Hubble

"If an elderly but distinguished scientist says that something is possible, he is almost certainly right; but if he says that it is impossible, he is very probably wrong." -Arthur C. Clarke

"You may delay, but time will not." -Benjamin Franklin

Mr. Leddy lived a life filled with enthusiasm, adventure, and travel. His expeditions to places like Mount Kilimanjaro and Denali were truly epic. I am sure that he would like to tell each and every one of you to live your life to the fullest. Make the most of your talents and opportunities. Nothing is impossible if you try. You never know how much time you have here. Don't waste one moment. It truly is "another beautiful day at Norton High School."

It has been a busy and productive to year for all the underclassmen officers and delegates. The Class of 2013 had a great year that began with volunteer work at the TPC over Labor Day weekend. Not long after that, they held the annual junior class lock-in at the YMCA; which was so much fun! Throughout the year they were very busy planning the 2012 Prom at Lake Pearl Luciano's, a beautiful location, for a spectacular night. Meanwhile, the Class of 2014 held the Snowball dance in December, featuring Norton Alumnus Colin Ahern as DJ. The class also sold Norton Snuggies to raise money for the class. In March, they held another fundraiser at Alberto's in Norton. Also, in the Spring the Class of 2014 plans to hold the annual Family Feud Night with questions relevant to the school and town. This summer, the class plans on raising money at the TPC golf tournament by selling concessions. What a year! The Freshman Class of 2015 started their run at Norton High very strong! They began the year with class officer elections and quickly moved to setting up a Facebook page to allow for quick and easy class notifications. They helped the sophomore class plan, decorate and execute the Snowball dance. This winter, they designed and printed class t-shirts and planned a roundtable discussion with Student Council to discuss fundraising ideas. This summer, they will hold an ice cream social and will help out at the TPC. Altogether, the class officers and delegates worked hard to create a fun, positive atmosphere here at Norton High School.

Thank you Mom for everything you have done for me. You have taught me so much. I don't know what I would do without you. Thank you Dad for pushing me to my limit physically & mentally. Without you I know that my success today would have been far less. Thank you Emerson for being the best older brother a sister could ask for. You have taught me so much; becoming my own person & being confident in the decisions I make. Without you I don't know if I would be the same person I am today. I love you! Soccer girls! Thank you so much for a great season. We wouldn't have gotten to where we went without you girls. I better see you in the tournament next season! I'm going to miss all of you!

Mom and Dad, thank you for everything. You guys are the best and I don't know what I would ever do without you guys. Jacquelyn, you are the greatest sister I could ever have. We are not just siblings, we are friends; and I couldn't see it any other way. John Paul, although you are very annoying, you are still a great brother. Sam thank you for the great times sophomore year, every year after, and just always being a great friend even when we hated each other. Ashley Bortolotti, cannot even explain how great our friendship is. Bird-brain. Chicken Noodle Soup. A WHOLE FREAKING CHICKEN. You will most definitely never be forgotten. And to everyone else, these past four years have been amazing, and these memories will hopefully last a lifetime. Class of 2012, it has been a great adventure.

Wait what? This is real? After all the late nights, rushed meetings, ridiculous tests, early mornings & frazzled rehearsals we're finally there. I feel like just yesterday we were playing super poke tag & dancing to Hillary Duff at recess. To all of my spectacular friends who have been there through the ups & downs, thanks for every cheery wave in the hallway. Mom & Dad, I couldn't have asked for more supportive parents, thanks for always putting up with my nonsense! -Francesca Battistelli

Thank you Mom and Dad for all of the support and love that you have given me over the past eighteen years which has shaped me into the person that I am today. Sarah, thank you for being such a caring sister, wonderful role model, and my best friend. You have been there for me through thick and thin, and I love you so much for that. To all of my friends, thank you for always being there to make me smile and laugh. You guys are the best group of friends I could have ever asked for, and I am truly blessed. Class of 2012, so many great memories and good luck to everyone in the future!

"Two muffins are sitting in an oven. One muffin says to the other "Boy, is it hot in here!" And the other muffin says, "AH TALKING MUFFIN!"

Thank you to my Mom, Mike, my grandparents, my Uncle Thomas, and my Uncle Davis for supporting me in everything that I have set out to do. Thank you to my fellow class officers and friends for always laughing at my jokes. I can only hope that the people I meet in my future have sense of humors as good as all of yours. Class of 2012, we made it! It will be weird not seeing the faces that I've been seeing almost every day for the past 12 years. I'll miss... some of you.

"Life is too short to wake up in the morning with regrets, so love the people who treat you right. Forget about the ones who don't, and believe that everything happens for a reason. If you get a chance, take it. If it changes your life, let it. Nobody said that it'd be easy, they just promised it would be worth it."

Thank you, more than anything else, to Mom and Dad. Without them I wouldn't be the person I am today. Thanks to all of my friends. There are way too many moments to even begin to remember. I love you guys.

French the Llama, high school has flown by! My high school experience has flown past me, far too fast to catch. Though I won't remember every test or every class, I will remember those who I love, I will remember the times that I loved: dance, graphic design, North Carolina, bike rides, being a wanna-be scenie weenie, freakin' scooter time, putting everything off until the last possible second, partying like it's not my birthday, becoming a nerdy Whovian, my best friends, my family.

The Class of 2012 breezed through another year at Norton High School. We kicked off the year working at the TPC Golf Course in August cooking and preparing not only burgers and hot-dogs, but memories. In September, the Class of 2012 filed onto a boat and lit up the night sky in Boston with our neon themed, "Highlight of Your Life" Senior Cruise. In November, the Class of 2012 carried on the Powderpuff football game tradition. The Class of 2012 turned the "ugly factor" up in December when we walked the halls of NHS in our ugliest sweaters. After a lot of hard work, we finished off the year with the senior class play, a class ice cream party, a class field day, and senior trip to Six Flags! The Class of 2012 left a huge impact on Norton High School and had the most amazing senior year! Don't you wish you could be one, two?

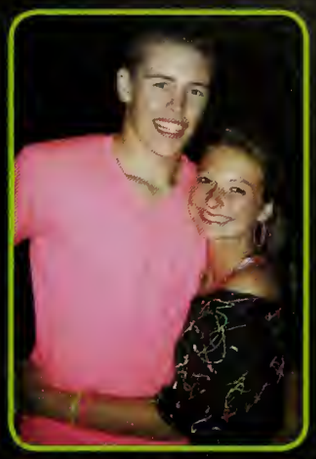
Senior Cruise

September 20, 2011



This year's Senior Cruise hosted by the Class of 2012 was, as always, a rockin' time! The seniors of Norton High School looked unique and bright decked out in their neon gear. When they arrived at Boston Harbor, the seniors saw the white ship awaiting them for a night of dancing, fun, and memories that would never be forgotten. As the night grew dark the city skyline lit up and perfectly complimented the bright theme of the cruise. The Senior Cruise was truly the Highlight Of Their Life!

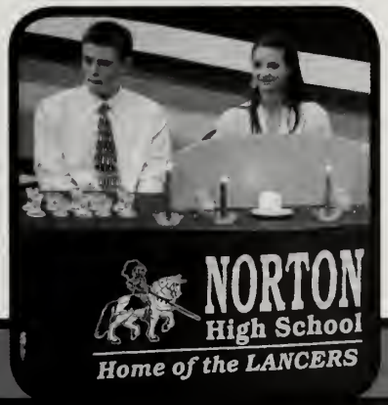
national honor society

Always having a positive impact, the John G. Findlater Chapter of the National Honor Society filled this year with service to the community and many fun social events! Students in this society demonstrate outstanding scholarship, character, leadership and service. This year, the society hosted its first ever lock-in at the YMCA for all juniors and seniors which raised money for the Norton Energy Fund. In addition to the society's yearly activities of the Bike-A-Thon and Senior, Senior Prom in the spring, College Day in January and volunteering in the community throughout the year, this year's new members were welcomed with a pizza party! Thank you National for your wonderful work at NHS!



The French Honor Society or *La Societe Honoraire de Francais* had a wonderful year of promoting understanding and appreciation of the French language and francophone cultures. Throughout the year, the society tutored fellow French students, as well as being involved in various projects such as an Annual Mardi Gras Celebration complete with information about the festival, food, and fun activities. Students also held a Crepe Party; made excursions to see examples of French in the community, such as a play at Wheaton College; caroled in English and French at EPOCH; and planned the annual Semi-Formal Dance with the Spanish Honor Society. The French *amour* these society members have for *la langue francaise* is definitely making a difference at NHS and is very appreciated!

La Sociedad Honoraria de Espanol, or the National Spanish Honor Society, is one of Norton High's most passionate societies and is led by Mrs. Godfrey, who is filled with infinite amounts of energy. Throughout the school year, society members tutored fellow Spanish students, and participated in a variety of projects such as the Day of the Dead celebration complete with some artsy projects. Students also volunteered at EPOCH monthly, put on the annual EPOCH Talent Show, caroled at EPOCH with the French Honor Society, and collaborated in the planning of the annual Semi-Formal dance. In addition, every year the Spanish Honor Society gives two scholarships to two outstanding senior class members.

The English Honor Society is in its third year and has grown remarkably every year since its founding in 2010! To obtain membership into this society applicants must maintain a 3.0 GPA in English and complete an essay. The society honors sophomores, juniors and seniors for their superb academic performance in English and their overall GPA. During the year society members tutor after school, run a whole-school book drive and raise funds in a variety of ways including selling Norton spirited sweatpants. Norton High thanks the English Honor Society for promoting the love of literature and writing each day at NHS!

The Math Honor Society, (Mu Alpha Theta) at NHS works to bring Mathematics to students in fun and creative ways. A member must be a junior or senior with a math GPA of 4.67 and an overall 4.0 GPA. This year the society held a Pi Day event with real pies as a reward, a month long Amazing Race in honor of Mathematical Awareness Month which focused on Data and Statistics, a Bottle and Can Drive, and its first ever Car Wash! Additionally, two teams from Mu Alpha Theta competed in Moody's Mega Math Challenge, a full day math problem which offers possible scholarship prizes of $100,000. Overall, the hard work Mu Alpha Theta has been doing this past year has been very successful and is definitely bringing an awareness of mathematics to Norton High School!

The Science Honor Society is in its third year and has been growing exponentially since its start! In order to be a member, students must maintain a 3.0 GPA as well as a cumulative science GPA of a B+. They must also be enrolled in a second full year higher level Science course during their junior and senior years. The society has introduced multiple new events this year such as volunteering at the local elementary school science fairs, tutoring around NHS, and cleanup events around Norton. Members are required to fulfill 10 science community service hours throughout the year, and at each meeting the society learns about a new science concept in the world today. Every member does a wonderful job of going out into the community and increasing scientific understanding!

The Tri-M Honor Society has a clear purpose of promoting and supporting the music department and helping spread musical appreciation around NHS. All members must participate in either NHS Concert Band, NHS Pep Band, NHS Chorus or NHS Select Choir. Once again this year the society organized a successful recital for its new and active members, and hosted another musically engaged coffee house where anyone and everyone was welcome to attend and display their talents. Throughout the year, the society raises funds and provides scholarships for graduating seniors in the music department. Thank you Tri-M Honor Society for helping all your members reach their full potential and bringing a love of music to NHS!

Approaching almost thirty years at NHS, the Art Honor Society continues to be a prominent force at Norton High School. All members are required to have a minimum B average in their art classes. The society has three goals which their dedicated members strive to meet: serving the community, raising money for senior scholarships and excelling academically in all other subjects. Run by Mrs. Lewicki, this society raises funds by decorating pumpkins in the fall, selling carnations on Valentine's Day, and decorating pots in the spring; and has an Annual Art Show. This year's Art Show took place at Patriot Place, and members were responsible for setting up and selling items. Norton High is proud to have the Art Honor Society actively demonstrating its creative talents every day.

This brand new society has had a strong start bringing history to life at NHS. Throughout the year announcements were made to make students aware of holidays such as Veterans Day, MLK Day, Women's History Month, Memorial Day and more! For the first time ever, Martin Luther King's "I Have a Dream" speech was shown during lunches so students could watch this inspiring speech before holiday weekend. Other events included members placing biographical posters around the school for Black History Month and Women's History Month, assisting in preparing for the Memorial Day assembly, running a guided tour for 3rd graders in May to see the historical sites of Norton, and completing community service hours at the Norton Historical Society. This society has definitely brought history to the present day!

student council

NHS Student Council (or Stuco) had another successful year raising school spirit, promoting leadership among its members and being active in the Norton community. This year, Stuco continued many of its past successful events such as Freshmen Orientation (with the largest volunteer turnout ever!), Welcome Back Teachers, Back to School assembly, Spirit Week, Hallway decorating, Halloween Homecoming dance, football game sales, Thanksgiving Pep Rally, Santa Fund, Faculty Breakfast, Principal's Day, Council Team-Building, Pennies for Patients, NHS Talent Show, Hypnotist Show, EPOCH volunteering, Kiss a Senior goodbye and more! The council sends two representatives to each and every School Committee meeting to not only sit on the board and voice student opinion, but also bring back important information to the council and school! New projects that were created this year were a Stuco/S.A.D.D. Bakeoff/Throwdown in December, Norton Transfer Assistance Program (NTAP), a NHS whiteboard calendar, and fundraising for the Make-A-Wish foundation. Norton High Student Council attended Regional and State wide conferences throughout the year which were all very beneficial in gaining knowledge about different activities and leadership skills. This year was also monumental as it was the first time Norton High School has ever presented a workshop at the State level! Overall Norton High's Stuco has worked hard all year long to help make NHS a school with a close-knit, spirited and community focused student body!

As a staff, the yearbook committee has dedicated countless hours at school and at home to give the students of NHS a "flawless" yearbook. With a year full of "make it work" moments and marathon yearbook sessions, complete with pizza and 80's pop music, our advisor Ms. Kara Immonen and senior editors Ashley Bortolotti, Hannah Chisholm and Samantha Gaglio, have created a book that they hope encapsulates this past 2011-2012 school year. With the theme of "Leave Your Mark" and a persnickety preference in fonts; from every picture taken, to every write-up written and every page formatted, this year's staff has worked tirelessly to craft a yearbook that not only preserves the students' memories, but also captures the personality of the class of 2012 as well as the personality of the student body of Norton High School. We hope you enjoy it!

DECA

DECA is an association of management and marketing students where members compete at district, state, and national levels. All DECA students learn crucial skills in leadership, communication, and networking. While marketing and management are the large concepts during the competition, they also learn about the topics of finance, hospitality, entertainment, retail, and international business. Advisors, Heather Albritton, Aaron Sumner, and Liza Balzarini, help the members gain leadership and self-confidence on their way to success. At the 2012 district conference, our DECA program brought 54 kids and 29 continued on to the state competition in Boston. At this level our students interacted and competed with over 2,000 other DECA members. At the state competition, Evan DaSilva, Bryce McCarthy and Caleb Tripp qualified for the national competition; Caleb placed third in the state in Accounting, Bryce placed fourth in Hospitality and Evan was one of eight students to be elected as a state officer. Nationals, which are in Salt Lake City, will have 10,000 students from around the world competing. The officers for the 2011-2012 Norton Action team were Evan DaSilva as president, Amanda Schleicher & Caleb Tripp as co-vice presidents, Jill Allard as secretary and Colleen Twitchell as the store manager.

The Norton High Drama Club had an incredibly successful year. In the fall, the club began the monumental task of putting together a production of the well-known musical "The Wizard of Oz". Students were led by Mrs. Koellner, Mrs. Couture, and Ms. Malone during the four months of frequent rehearsals, green paint, ruby slippers, stapled costumes, and supposedly confusing dance numbers. The talented cast, ranging from seasoned performers to first-time actors, put on one of the most successful and well-received examples of theatre ever to take the town of Norton by storm. With standout performances from Alicia Mello as Dorothy, David Aranjo as the Scarecrow, Jordan Wollenhaupt as the Tinman, Bryce McCarthy as the Cowardly Lion, Shannon Gibson as Glinda the Good Sorceress of the North and Ashley Bortolotti as the Wicked Witch of the West, the cast took the audience on a wonderfully entertaining journey down the yellow brick road.

Lead by Drum Major, Jordan Ledwith, the Pep Band is very involved in the community and school events. They play at every home football game, rain or shine, as well as march in all Norton parades and ignite school spirit at the pep rallies. Starting with rehearsal in August, the steady beat of the drums unites all the musicians in a harmonious exhibition of talent and dedication. This year, despite being a small group, they even marched in a field show! The pep band should be very proud of the commitment shown by its members because without Pep Band, Norton High School would B flat.

The Norton High School Concert Band consists of a variety of different students who come together to perform a wide range of music. The Concert Band performs at the winter and spring concerts as well as at the Yelle School during their lunches, the goal being to attract more people to the music program. While a bit smaller than previous years, this year the band was still able to perform at a professional level of musical integrity. The seniors who have been involved will truly be missed. Those who were members for all four of their high school years have been crucial instruments of what makes the band great. Those who joined for just this past year have made long lasting impressions on the harmony of the group.

Once again the size and vocal strength of the NHS Concert Chorus has grown drastically this past year. Under their superb direction of Mrs. Kyla Couture, the singers bring their joyous gift of music to the winter and spring concerts along with Memorial Day assembly and have plans to attend *Beauty and the Beast* in Boston at the end of May. With a year full of solos, three blind mice, snap cups, and David's Korner, the altos, sopranos, and baritones were never a "chain of fools." Mastering a variety of genres from "Ain't No Mountain High Enough" to "Luci Care" from "21 Guns" to "Salmo 150," the Norton High School Chorus has blessed the school with their beautiful moose-ic.

A year ago, a treblesome group of talented young singers at Norton High joined forces to establish a "super chorus." And from that, Select Choir was born. Banding together against flat notes and baby voices, this group, under the guidance of Mrs. Kyla Couture, performs not only at the Winter and Spring concerts, but also at coffee houses and school assemblies. The sopranos carry the melody and the altos bring depth and harmony on top of the solid foundation that the baritones create with their full sound and impeccable rhythm. Together, Select Choir is a force that cannot be silenced.

students against destructive decisions

The Norton High School chapter of SADD is devoted to not only the organization's mission "to provide students with the best prevention tools possible to deal with the issues of underage drinking, other drug use, impaired driving, and other destructive decisions," but also to the promotion of healthy and admirable choices in the school community. This year they did so by hosting the two blood drives that were both great successes and by bringing awareness to the student body about the destructiveness of certain behaviors and activities. Just before prom and graduation, SADD has planned an assembly to show juniors and seniors the dangers of underage drinking and drunk driving, which will hopefully help the students make positive decisions at the prom and throughout the summer as well.

Norton High School's Leadership Council has continued to grow this past year and is developing into a strong presence at NHS! The council meets every Wednesday and Thursday with Mr. Dewar in the gymnasium and consists of students from all grade levels and interests. Members come together to work on their individual skills, as well as their skills as a group. Leadership Council members often participate in events in the community such as the Tri-Town Amazing Race at the Foxboro YMCA. Norton High School is lucky to have such a wonderful group of student and community leaders.

Norton High School's Freshman Advisory program has been going strong for several years. Every Tuesday and Friday, small groups of freshmen meet with one faculty member and a few student mentors to have discussions, play games and mingle. The student mentors range from sophomores to seniors and are a friendly face there to help freshman in their transition to high school. Often, advisory groups "challenge" one another in games and competitions. At the end of the year, every advisory group competes in the Advisory Olympics to cap off a year full of fun and positive memories.

The Norton High chapter of GSA, or Gay Straight Alliance, consists of students who believe in the equality of their fellow LBGT members in society. The goal of this club is to provide a safer environment for children of this community, and to promote awareness of the many issues regarding the LGBT community. The club, led by Ms. Siegal, strives to show freshmen an educational movie and runs events such as the Day of Silence and Ally Week. The GSA would like to give a thank you to the seniors who will be leaving this year and a special thank you to the president, Cassie Hynes, without whom nothing would have been accomplished.

Debate Team is an extracurricular organization that celebrates the spirit of debate and its role in the government. During the 2011-2012 school year, under the advisement of Mr. Luke Burgoyne and Mr. Paul Duff and the leadership of President Brandon Moreau, Vice-President Emily Lattouf and Secretary Liam Kenney, the team debated and discussed everything from SOPA to whether flying or being invisible was the better superpower. They also traveled to iconic governmental education events, such as the Model United Nations, a United Nations Association of Greater Boston forum meeting, and the annual Hockomock League Model Senate. Their membership more than doubled this year and Debate Team is looking forward to a promising future at NHS!

Football is a lifestyle. Players on Norton's Varsity Football team this year dedicated countless hours to practicing tackles, catches, and passes. They had a record of 5 wins and 6 losses but on Thanksgiving Day, they beat their rival Bellingham for the fourth consecutive year! Team captains Nick Jenkins and Tyler Durocher led the team to three wins and one loss achieving second place in the TVL Small League. With head coach Ted Currle and Assistant Coaches Brian Clemmey, Bob Cabral, Brian Patenaude, Pat Coleman, Tom Petersen, and Brian Desmond in charge, six players Nick Jenkins, Tyler Durocher, Pat O'Malley, Josh Jenkins, Stephen Hudson, and Zack Sicard were chosen as All League players. Coach Currle said that he would always enjoy "the preparation and life-long relationships" he built throughout the season. With someone different standing out each night, the football team enjoyed a season filled with teamwork and memories that will last a lifetime!

Soccer is, without question, the world's sport. The action is non-stop and a team's success is founded on the ability to work as a group and make split-second decisions independently. The 2011 Norton High School Girls Soccer Team exhibited these skills on and off the pitch. Led by an outstanding senior group including Amanda Schleicher, Briana Betts, Paige Almeida and captains Kim Schubert, Kristen MacGray, Meg Elliott, and Kate Ledbetter, the team started the season with a record of 0-3 but recovered quickly to end with the best season in NHS girls soccer history, tying for second overall in their division. With standout performances from goaltender Jennifer Kilburn, TVL All-Stars Meg Elliott (who broke the school record with 64 career goals), Paige Almeida, Kate Ledbetter, Kim Schubert, and Kristen MacGray (who was also voted MVP by her teammates), and a most-improved performance by freshman Kassidy Campbell, Coach Todd Kefor and Coach Nicole Nunes had a great team full of talented and diverse players who effectively showed how teamwork leads success.

According to Coach Eric Greene, soccer is a fun, competitive environment where students can develop life skills. Varsity captains Kolin Campbell, Alex Devolve and Dylan Roe, along with Assistant Coach Nick Gale, guided the 2011 boys soccer team through a season full of highs and lows that finished with 6 wins, 8 losses and 5 ties. The team pushed hard through every match, learning how sweat, determination and teamwork can lead to success. The defensive players showed a dramatic improvement over the course of season, which supported the overall team effort. Both Kolin Campbell and Tyler O'Neil were voted TVL All-Stars, and Kolin was even named an Eastern Mass All Star. Coach Greene believes that, "if you continue to do the same things, you're going to have the same success;" a life lesson that is significant both on and off the field.

"Coming together is a beginning, staying together is progress and working together is success." These words spoken by Henry Ford embody the spirit of the 2011 NHS Volleyball season. Varsity captains Amanda Sullivan and Caisey Calabro led the girls through the many ups, downs, serves, sets and spikes that are the game of volleyball. Coach Diane Newell taught the girls the importance of teamwork, determination and perseverance. Although the girls may not have ended the season with a winning record, every member of the team showed improvement and developed a keener understanding of the game. Even more, they all take with them the most important prize of any sport- friendship. Junior Varsity captains Jill O'Connor and Christen Cavanaugh, along with Coach Eric Grasso, look forward to displaying the skills they honed this fall in an exciting 2012 season.

Cross-country is not a sport- it's a way of life. This year, the cross-country team, guided by coach Kent Taylor, made some vast improvements in their pace and both the boys and girls teams were voted #1 in Sportsmanship for the second year in a row by the TVL coaches. The girls, led by captains Erica Callahan and Stacie Linfield, ended the season with 3 wins and 6 losses. Standouts include Jess Greco as the team's Most Valuable Runner, Marissa Eisnor as Most Improved Runner and Rebekah Sargent as Rookie of the Year. The boys, led by captains Brian Acker and Tyler Anderson, scored 4 wins and 5 losses for the season. Their standouts included Billy Sullivan as Most Valuable Runner, Austin Cheda as Most Improved Runner and Mike Tierney as Rookie of the year. Two senior runners, Brian Acker and Stacie Linfield, won the JFK Award for being great leaders and student athletes. Overall, this young team showed a lot of promise and it's important to remember, "it's more than just a race."

Golf gives students the opportunity to compete with other great players and make connections and friendships that will last a lifetime. This year's Golf Team at Norton High School, led by captains Zack Schuster (TVL All-Star) and Max Cantin, had a very successful season, winning the TVL Small Division. Seniors Zack Schuster and PJ Levesque both qualified to compete at the state championship, finishing 4th and 14th at states, respectively, and senior Max Cantin placed 5th at TVL Championship. This is the first year the whole golf team has made the state tournament and with help and direction from head coach Ryan Riley and assistant coach Kris Buckman they ended their season with a record of 14 wins and only 5 losses. By the end of their season, the members of the golf team were all strokes ahead of the rest.

Everyone can run in the spring, summer and fall. It's running in the winter that makes true champions. This season, the Norton High School Winter Track team took home more TVL awards than any other team! Captains Stacie Linfield, Rebekah Sargent and Amanda Schleicher, headed the girls team which broke or tied many school records and won the TVL Sportsmanship award. Captains Brian Acker, Ben Donovan and Brian Gannon led the boys team to even more broken or tied school records and to a 3rd place overall title at the TVL Championships, where Jon Plummer placed first in the 55m dash. The most exciting accomplishment of this team was the shuttle hurdle relay team of Ben Donovan, Ramzi Bechara, James Sicard and Ryan LaPadula. These four boys broke the all-time division 4 record and are the only Norton relay team to ever qualify for Nationals, where they placed 16th. Overall, it was a truly inspirational season and coach Kent Taylor, along with assistant coach Lindsay Nastri and volunteer coaches Stalters and Victoria, are proud of all the runners' accomplishments.

Led by two outstanding senior captains, Colin Feeney and Steve Burrill, both ranked as TVL and Sun Chronicle All-Stars, this season's Norton High School Boys Basketball team definitely had talent, teamwork and intelligence. Building and expanding on their previous success, they not only qualified for the TVL Tournament for the fifth year in a row, but also won the first basketball championship for Norton High since 1992. Under the guidance of Coach Marc Liberatore and Assistant Coaches Travis Jolly and Joan Valenti, the team finished with its best record since joining the TVL, with 15 wins and only 3 losses. They clenched the championship on what turned out to be a fairytale Senior Night, which is sure to be marked in the memories of all who participated for years to come.

Once you've wrestled, everything else in life is easy. With a phenomenal season, the wrestling team had an overall record of 26 wins and only 1 loss and were named the undefeated TVL Champions for the fourth time in 5 years, Middleboro Invitational Tournament Team Champions for the third time in 4 years, and Division 3 State Champions for the first time ever. Scott Coleman became the Individual State Champion, while John Royle placed second, and Steve Hudson placed third. Senior captains Scott Coleman, John Royle, Brett Gallagher along with John Norton, Cam Hale, James Cuneo, Jack Cuneo, and Steve Hudson were all named TVL All-Stars. This unstoppable team also broke many school records with the most team wins in a season (26), the most individual wins in a season (Coleman & Hale with 43 apiece), the most individual wins in a career (Coleman with 148), the most individual pins in a year (Hudson with 31), and the most TVL all-stars from Norton in a single season (8). And it wasn't just the team that was successful, Coach Holmes was named D3 Assistant Coach of the Year and Coach Coleman was name TVL, D3 Central Section and D3 State Coach of the Year. Real Dancing Monsters

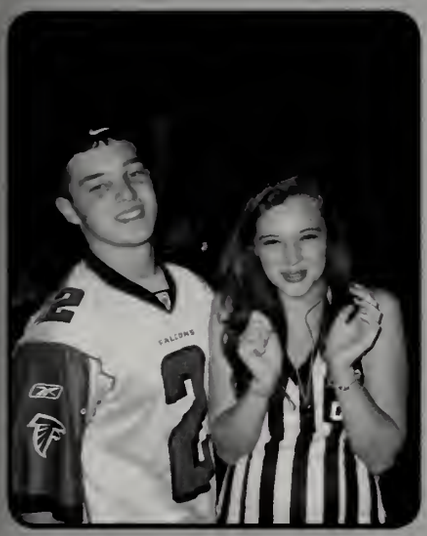
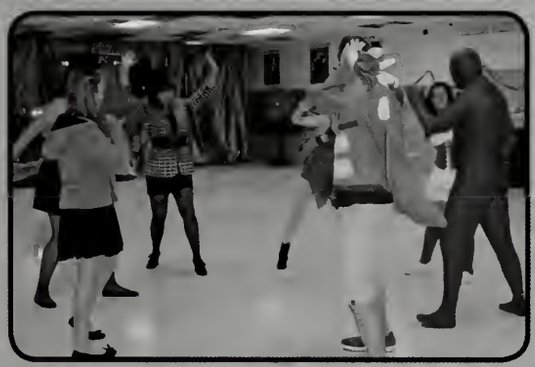
Homecoming

September 20, 2011

As dark clouds hovered ominously over the bright, white moon, Norton High School was a beacon of light welcoming cowboys, cats, hippies, princesses, and monsters out of the dark night and into the annual Halloween Homecoming. It was a spooky-dooky night, one in which witches, ghouls, and goblins partied alongside fairies, invisible men, and Charlie Sheen. Student Council concocted a dance so utterly spook-tacular that it raised the dead and it truly was a graveyard smash.





To the juniors and seniors of Norton High School, the night of November 10, 2011 was a night to kick off their shoes and dance the night away. The classes of 2012 and 2013 descended upon the Mansfield Holiday Inn for the annual Semi-Formal hosted by the French and Spanish Honor Societies. Guests were treated to a delicious sit down dinner, with dessert! But, everyone was far more concerned to get on the dance floor and enjoy one of the last big celebrations of the year.

Snowball
December 9, 2011

The annual Snowball Dance was a flurry of Freshmen and Sophomores all decked out in their best party attire. On this chilly December night, students danced the night away in the high school cafeteria, which was transformed into a winter wonderland, complete with snowflakes falling from the sky. No one was left out in the cold and the memories created that night will last long after all the snow melts.

Norton's Modern Life

David Aranjo

A blessing given to me at just seventeen years of age, I knew we would make it right. Together we gave you everything we had, not knowing what we were doing and learning as we went. Although you don't remember, your grandmother had just one request, that I would graduate. You were just five months old the day I walked across the stage, my parents so proud and watching me, but I was watching you. I couldn't think of anything but the dreams I had for you. Time went by, you were learning to crawl, walk, and talk; it all went by too fast. School years to follow, I even left you crying at preschool, but who would have thought you would grow up to be so independent! We are so proud of you and the man you are becoming; a true blessing it has been to be your parents. Soon you will leave to college (you sure you want to go) and you will leave me crying; funny how life comes full circle. My tears will dry but my heart will ache, knowing this is the next journey you must make. Remember while you are away from us to never lose sight of your dreams, always have determination, and never forget the ones that love you most.

We can hardly believe that your senior year is here and graduation is around the corner. We are so proud of you and all that you have accomplished. We have loved watching you grow and develop into a beautiful, sensitive, caring individual. It has not always been an easy journey and "your strengths have been born from your weaknesses". We love you with all our hearts and pray that God will always bless you in all that you do. Your future is so bright and your journey continues....

Our pride, joy and love will always follow you!

Emily Lattouf

Dear Emily,

It seems like yesterday we were holding your hand to go to preschool. You grew so fast and we enjoyed every moment of it. Always do your best and don't be afraid of challenges. Speak your mind, "word of wisdom should be heard." You can do whatever you put your mind into. We couldn't be more proud of all your accomplishments (Ap classes,Pep band, Student council, Debate and Honor Societies).

We will always be here for you, support you and love you.

Love, Mom, Dad, Julie, Christine and Charbel

Erica Lynn Callahan

It has been a joy watching you grow throughout the years...but you will always be our "little girl."

We love you and are so very proud of you. Be true to your heart, follow your dreams and be happy.

Love Always,
Mom, Dad
&
Matthew

Congratulations Em!!

You have made us so proud. Continue to reach for the stars and always be true to yourself. We want you to find happiness in all that you do and always remember how special you are.

We will always love you...

A – Always upbeat and positive in all you do. An admirable and Aboveboard person.
L – Loving and compassionate person.
L – Likeable and Loveable
I – Ideal daughter, sister, granddaughter, niece and friend
E – Excellent and Energetic. Enthusiastic with all you do.

As you go out into this world, may God be by your side every step of the way. We can't wait to see what big plans are in store for you. All your hard work has paid off.

Take what you've learned and share your experiences with others. You have so much to offer. We hope the World is ready! Love, Mom & Dad, Niko & Zac, Star & Jesse (Woof!)

Emily Christy

We can't begin to tell you
Just how proud we are
We can't believe how time has flown
And how you've come so far

We imagined you staying little
With your curls and fancy dresses
Changing a subject with "What's that?"
Belle, always your favorite Princess

Now in front of us stands a woman
Eager to show the world
Higher learning is one of her goals
This, of course, makes us proud she is our girl

Don't forget to call us
Not just when you need some money
Don't forget we'll miss you here
Don't forget we love you honey

No matter where life leads you
No matter what you do
We'll always be your biggest fans
And always there for you.
Love, Mom, Dad, Liv & Jared

Messages from your Teachers

To the Class of 2012:
We are so proud of your accomplishments over the past four years! It has been a gift for us to be a part of your personal and academic growth. You truly are a unique class; all who have witnessed your interactions as a group are impressed by your commitment to making each class event a memorable one. Although our journey together has ended, the friendships made during these years will continue as you begin the next chapter in your life. We will miss you all!
-Ms. Beisheim, Mr. Brassard & Mrs. Pavlov

I think that we all have a light in our stomachs. A special light like ET and the team needs someone to light the way. We can all phone home together. Best of luck and congratulations.
-Mr. Grasso

"Making your mark on the world is hard.
If it were easy, everybody would do it.
But it's not. It takes patience,
it takes commitment, and it comes with
plenty of failure along the way.
The real test is not whether you avoid
this failure, because you won't.
It's whether you let it
harden or shame you into inaction,
or whether you learn from it;
whether you choose to persevere."

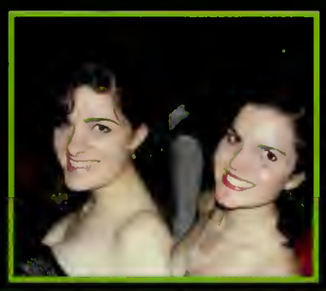
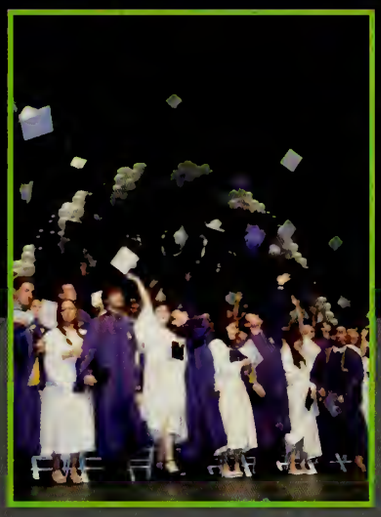
The Spring Life of Norton High

SUPPLEMENT





The Class of 2012 staged a unique rendition of "The Dracula Rock Show" this spring for their Senior Class Play. Narrated by the witty duo Allie Zelinski and Amanda Sullivan, the story revolved around a crew of vampires and zombies all lead by Rob Butler as Count Dracula and Kristy Cataloni as the Queen of the Night. Amidst the chaos of the undead rising to the living world, the interplay between Erica Callahan as a cunning detective with her sidekick Marisa Lucier, and the comically evil Connor McLaughlin as Professor Moriarty made for a tongue-in-cheek take on the classic tale of Sherlock Holmes. The culmination of the show was a live performance by a talented rock band consisting of the unique vocal stylings of Matt Remick, the intense drum beats of Kevin Rogers, smooth base line of Eric Linfield and rocking guitar rhythms of Brian Acker and Jared Fitch. All in all, it was a rockin' good time for both the live and the dead.

Life is like a baseball game. When you think a fastball is coming, you gotta be ready to hit the curve. The baseball team continued to show its dominance by qualifying for the state tournament for the 7th year in a row! In the regular season, the Lancers recorded 10 wins and 10 losses. The leadership of captains right fielder Colin Feeney, catcher Brian Loud, and center fielder Christian DeLano, was a huge part of the team's success. Senior Colin Feeney ended the season with a 0.500 batting average earning him a spot on the TVL All Star First Team. Juniors Anthony O'Leary and Brian DiOrio were named on the TVL All-Star Second Team for their outstanding performances throughout the season. Feeney and O'Leary were also named Sun Chronicle All-Stars. In all, the baseball team showed that no matter what the competition threw at them, fastball, slider or curve, they were always able to hit it out of the park.

"Never let the fear of striking out keep you from playing the game." This motto was at the heart of a very productive year for the varsity softball team under their new head coach Brian Clemmey. Led by Senior captain Caisey Calabro, the Lady Lancers had an overall record of 8 wins and 12 losses. With the help of offensive powerhouses Maggie Morris and Kathy Remick, Norton recorded their first win over Holliston in a significant period of time. Also, the team nearly defeated Bellingham, which is ranked top 10 in Massachusetts. They barely lost in the last inning after a walk off home run. Sophomore Kathy Remick was named a first team TVL All-Star, and Seniors Meg Brown and Caisey Calabro and Junior Maggie Morris all received TVL All-Star Honorable Mentions. Overall, the team played hard and worked together through grueling games, proving that there is nothing soft about softball.

TENNIS

The mark of a great sportsman is not how good they are at their best, but how good they are at their worst. The boy's tennis team had a great season in one of the most challenging leagues in Massachusetts. Senior captains PJ Levesque and Mike Adler led the team to a record of 5 wins and 12 losses. With the standout first doubles team of Kolin Campbell and Chris Ricca who had an incredible record of 13 wins and 4 losses, and PJ Levesque being named a TVL All-Star for his performance in First Singles, the boy's tennis team truly showed that they are great sportsmen. Love is nothing in tennis, but in life it's everything. The girl's tennis team showed their love for the sport this season with an overall record of 8 wins and 10 losses. Senior captains, Kristen Tenglin, Allie Capprini, and sophomore captain Olivia Christy, who earned a TVL Honorable Mention for her performance in First Singles, supported the team throughout a season in which the girls improved their game through countless serves, back hands and drop shots. The team's love for tennis was only surpassed by their love for their fellow athletes which was recognized when they were awarded the TVL Sportsmanship Award.

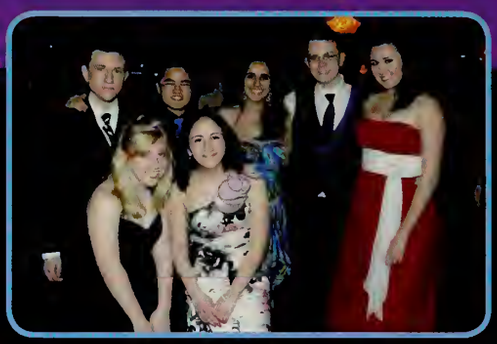
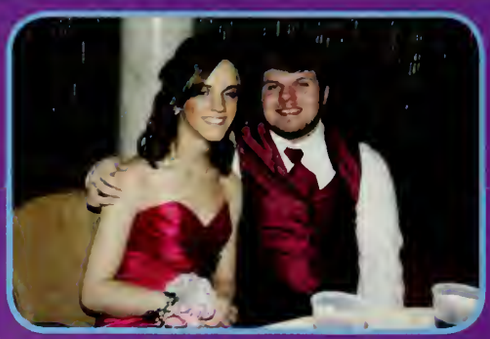
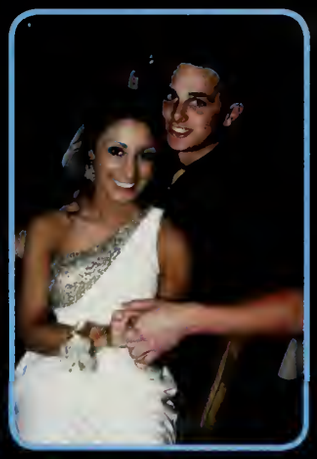
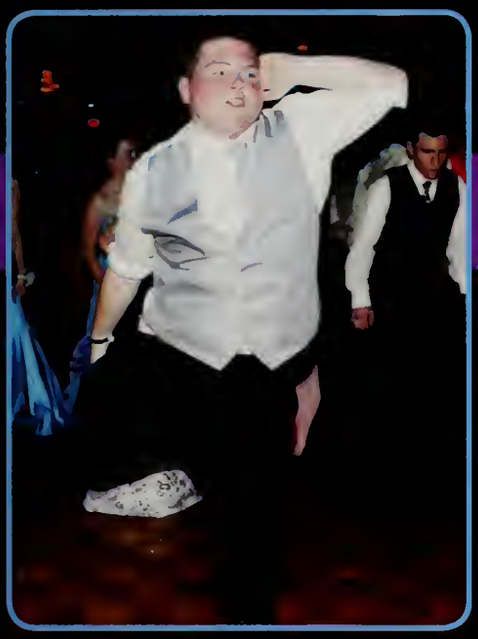
Some people ask why we run so fast...well, what do you do when you hear a gun? The girls spring track team placed 5th overall at the TVL Championship and ended the season with a 5-4 record, under the leadership of Senior captains Stacie Linfield, Amanda Schleicher, and Erica Callahan and Juniors captains, Bri Arcaro and Bekah Sargent. Some standout performances from the season included Emma Ethier's school record breaking 100HH race that she completed in 16.2 seconds! There were two 8th place finishes at the state meet, Paige Almeida in the 400 and Bekah Sargent in the high jump and two of our relay teams, shot put relay and 4x200 relay, placed in the top three at state relays. All stars from the season were Junior Emma Ethier, and Freshmen, Kassidy Campbell and Amy Pereira. Led by Senior captains, Ben Donovan, Tyler Anderson, Tyler Durocher, Brian Acker & Brian Gannon, the Norton Boys won their first ever TVL Championship, going undefeated at 9-0 and beating perennial powerhouse Hopkington for the first time in history! Nine school records were broken, including Ryan LaPadula in the 400 hurdles, Jon Plummer in the 100 meter dash and 7 relay teams. Overall, 10 boys were named TVL All-Stars, including 6 TVL Champions- John Plummer in the javelin, Danny Rafuse in the triple jump, and Brian Acker, Tyler Anderson, Danny Lenihan & Mason Rouillard in the 4x400 relay. Norton also competed in its first-ever decathlon with two teams that placed 3rd overall. It's apparent that both the boys and girls teams never settled for less than their best at every meet.

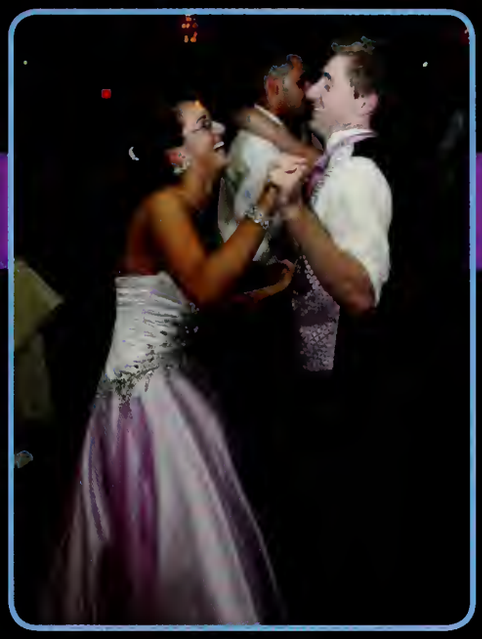
Prom
May 5, 2012



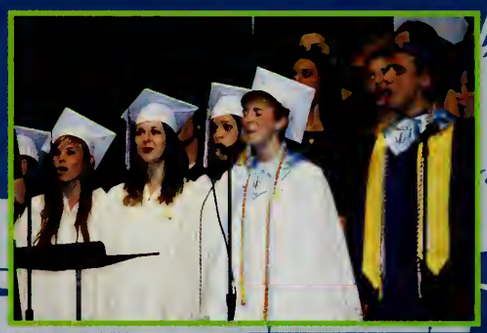


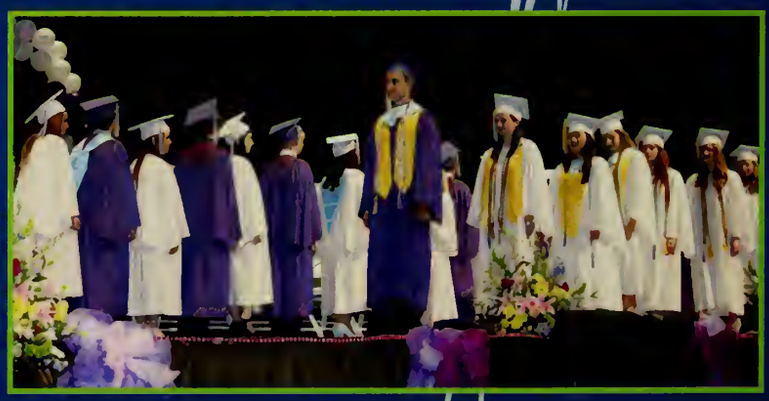






Once upon a time, in the town of Norton, Massachusetts, drizzling rain and ominously overcast skies blossomed into a beautiful, majestic evening, with Norton High School juniors and seniors preparing for a great night, prom night! In a land far far away, Luciano's Lake Pearl, everyone arrived just as the clock struck 6 pm, taking pictures in the courtyard, dressed in their best, and lining up to start a night that they will never forget. After being served a delicious dinner and a delightful cookie buffet, students went straight for the dance floor where the DJ played the soundtrack of the evening. Halfway through the festivities the prom court was crowned with the coronation of Pat O'Malley as King, Kady Ferguson as Queen, Zach Ruby as Prince and Hannah Labonte as Princess. The King and Prince dueled to the YMCA in an epic dance battle. Overall, it was a fairytale evening full of magical moments and happily ever afters.





GRADUATION 2012

The 106th Commencement Ceremony was the biggest and best graduation in Norton High School history with 179 graduating seniors and the presentation of one honorary diploma. The Class of 2012 listened intently to a joyful welcome address by Class President David Aranjo, a moving original poem by Kathleen Ledbetter and the reminiscent speeches of Salutatorian Kady Ferguson and Valedictorian Elizabeth LaVerghetta. The Norton High School Chorus filled the amphitheatre with their uplifting voices as they sang their rendition of "Lean on Me," featuring solos by its senior members. The Comcast Center was filled with the applause of family, friends, and faculty, as each senior crossed the stage. When the night was over, many seniors couldn't help but think, "This is our year!"
